

Communitybuilders is a £70m investment fund which takes forward a commitment within the *Communities in Control: Real People, Real Power* White Paper to build more cohesive, empowered and active communities.

Communitybuilders can provide grants and loans from £2,000 up to £2,000,000 depending on what kind of support is provided (the larger grants and loans are available for larger projects over a longer term). Business support of up to 30 days is also available. There are three main elements to the fund: **development, feasibility, and investment.**

This fund is open to locally controlled, community-led, non-profit organizations operating in England. Your organization should have been in existence for at least one year, and should have generated some income through activities and services, which should be available to everyone in your neighbourhood. Your organization should also be multi-purpose, i.e. you deliver or host services in at least three of the following categories:

- Social welfare
- Education
- Recreation (including culture and sport)
- Environmental activity
- Economic or vocational services
- Voice and advocacy services
- Trading for social purpose
