

How to find Voluntary Action Swindon

If you are approaching Swindon from the M4, leave the M4 at junction 16 and follow the signs for Great Western Way / A3102. At the Mannington Roundabout (John Lewis at home is on your right), take the far right hand lane and exit the roundabout taking the 3rd exit onto the A3102 / Wootton Bassett Road towards the Town Centre. At the roundabout by the Esso petrol station, take the 1st exit onto Westcott Place / B4289. At the Park Lane roundabout take the 2nd exit onto Faringdon Road.

This will get you into the Town Centre and there are a choice of two reasonably priced car parks in the area, both of which are close in proximity to Voluntary Action Swindon.

To park in the Brunel North Car Park (parking here costs £2.00 for up to 4 hours and £8.60 up to 6 hours):

At the 2nd set of traffic lights on Faringdon Road, get in the middle lane. At the next set of traffic lights turn right onto Farnsby Street and take the 1st left onto Villett Street. Take the 1st turning right into the Brunel North Car Park. Once parked, take the exit for Villett Tower back onto Villett Street. Continue on Villett Street until you reach Catherine Street Car Park. Turn left at Goldsworthy's Hair Salon onto Catherine Street and then right onto Faringdon Road. Continue along this road onto Fleet Street until you reach The Groves Restaurant on your left and Spot-On Model and Games shop on your right. Turn right onto John Street and we are immediately opposite Downtown Kebabs on John Street.

To park in Bristol Street Car Park (parking here costs £2.00 for up to 4 hours and £3.50 all day):

At the 2nd set of traffic lights on Faringdon Road get in the left hand lane. At the next set of traffic lights turn left onto Emlyn Square. Take the next left to stay on Emlyn Square. At the junction, turn right still on Emlyn Square. At the junction of Bristol Street, turn left and take the 1st right up a slight slope into Bristol Street Car Park. To exit this car park, walk back down the slope onto Bristol Street and continue straight along this road onto London Street. Once on London Street, continue straight along onto Sheppard Street until you reach a pedestrian crossing. Cross over at this crossing and turn right and then 1st left into Bridge Street. At the pedestrian crossing, cross over and continue on Bridge Street past Cosmo Oriental Restaurant and Holiday Inn Express until you reach the junction of TP's bar and Subway Restaurant. Turn left at this junction onto Fleet Street. Continue on Fleet Street until you reach The Groves Restaurant on your left and Spot-On Model and Games shop on your right. Turn right onto John Street and we are immediately opposite Downtown Kebabs on John Street.

Bus: There is a bus station nearby and buses regularly stop on Fleming Way. If you arrive on a bus, ask for Fleming Way and once off the bus, head west towards Holbrook Way (towards the Zurich building). Turn left at Fleet Street, then left onto John street.

Train: There is a train service that runs directly into the Town Centre of Swindon. If you arrive by Train come out of the train station and cross directly over the road at the pedestrian crossing onto Wellington Street. At the junction turn right onto Milford Street and then cross over at the crossing (past the Zurich building on your left), onto Fleet Street. When you see The Groves Restaurant on your right and Spot-On Models and Games to your left, then take the 1st left onto John Street and we are on the left-hand side opposite Downtown kebabs.
