

Reaching Communities

Reaching to the heart of England's communities and helping those most in need.

Grants available from £10,000 - £500,000 (maximum capital grant of £50,000) for registered charities, voluntary and community groups, statutory bodies, charitable or not-for-profit companies, and social enterprises. This funding may be used for:

- ◆ improving people's life chances and opportunities, e.g. better access to skills training and development
- ◆ strengthening communities and the encouragement of active citizenship
- ◆ improving rural and urban environments, providing increased access to local communities
- ◆ promoting the health and activity of people and communities
